REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1, 2, 6 and 12 are allowable over the prior art of record because the prior art of record does not teach or fairly suggest the entire combination of elements set forth including a power connector on the strap winder to connect the power-operated driver to a power source as required in the above claims.

With respect to claim 13, the prior art of record does not teach or fairly suggest the entire combination of elements set forth including a power-operated driver and a power source on the vehicle as recited on lines 16-20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Emmanuel M Marcelo whose telephone number is 571-272-6949. The examiner can normally be reached on Monday - Friday.
